

HighDynamic[®] Options

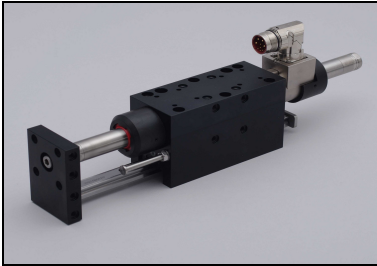

A wide range of options and accessories complete the **HighDynamic[®]** kit.

The following options are available for **HighDynamic[®]** HM01 linear modules, HA01 linear guides and LA precision linear guides.

	HM01 Linear Modules			HA01 Linear Guides			LA Precision Linear Guides	
								
	HM01 -23	HM01 -37	HM01 -48	HA01 -23	HA01 -37	HA01 -48	LA00 -37	LA01 -48
motor with turnable connector	•	•	•	•	•	•	•	•
motor with cable connection	•	•		•	•		•	
F-type motor	•	•	•	•	•	•	•	•
HP-type motor (HP)	•	•		•	•		•	
high clearance sliders (HC)					•	•	•	•
HP-motor with HC slider					•		•	
heavy duty slider (HD)	•	•	•	•	•	•	•	•
hollow sliders (HS)	on demand							
wiper 'front'	•	•	•		•	•		
wiper 'rear'		•	•		•	•		
mechanical stop with wipers	•	•	•		•	•		
additional slider					•	•	•	•
cable chain				on demand				
adaptor for cable chain	•	•	•					
tube cable chain set	•	•	•					
pneumatic brake	•	•	•		•	•		
MagSpring [®] mounting adaptor	•	•	•					
ext. positioning sensor inkr./abs.	•	•	•	•	•	•	•	•
force transducer adaptor		•	•					
cooling fan adaptor	•	•	•	•	•	•	•	•
rail with rust protection	•	•	•	•	•	•	•	•
console	•	•	•					
guide with FDA grease	•	•	•	•	•	•	•	•

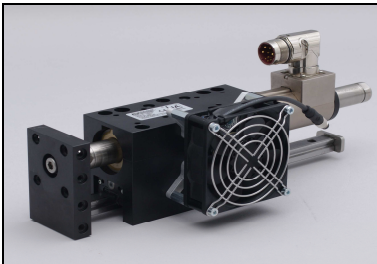

The combination of several options requires technical examination. Please inquire and we will review the technical feasibility of your demands. When ordering a HighDynamic[®] module HM01, guide HA01 or LA guide with the option 'completely assembled', the option will be mounted by us, as shown on the following pages.

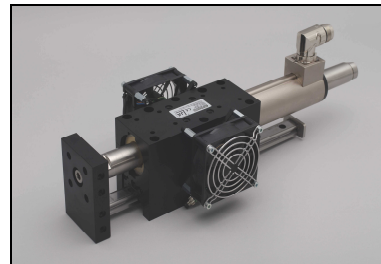

AD11
mechanical
stop with
PA01 wipers
on HM01

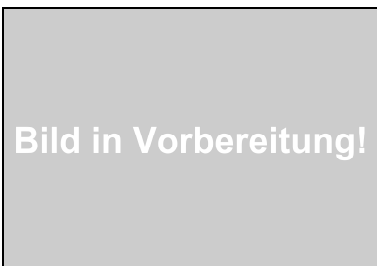

AD09
mechanical
stops with
PA01 wipers
on HA01

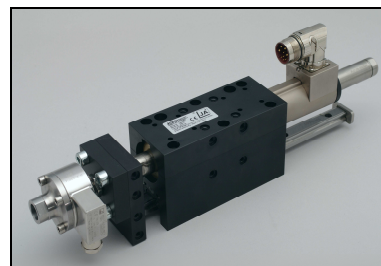

AD02
cooling fan
adaptor for
HM01 & HA01

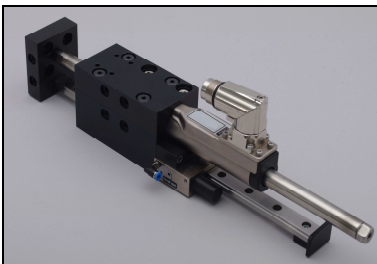

AD02
two cooling
fan adaptors
on HM01

AD23
additional
slider for
HA01

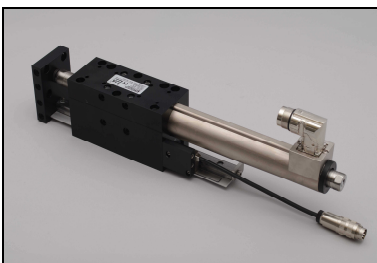

AD01
adaptor for
force
transducer
HBM U2B with
HM01-37 &
HM01-48

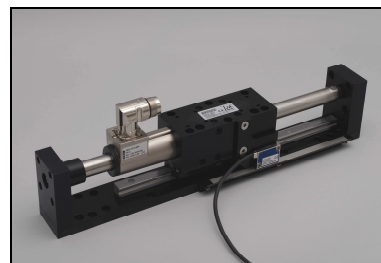

AD05
pneumatic
brake for
HM01

AD03 & AD04
flange & slider
mounting
adaptor for
MagSpring®

AD06
mounting set &
magnetic scale
with external
incremental
positioning
sensor for
HM01

AD06
mounting set &
magnetic scale
with external
incremental
positioning
sensor for
HA01

Bild in Vorbereitung!

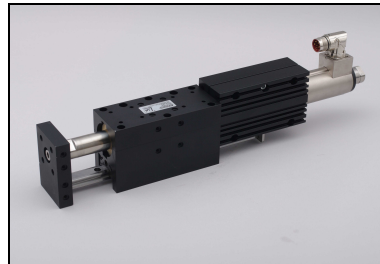

AD22
mounting set &
magnetic scale
with external
absolute
positioning
sensor for
HM01

Bild in Vorbereitung!

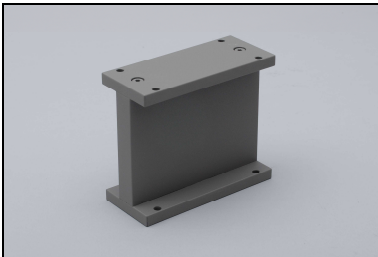

AD22
mounting set &
magnetic scale
with external
absolute
positioning
sensor for
HA01

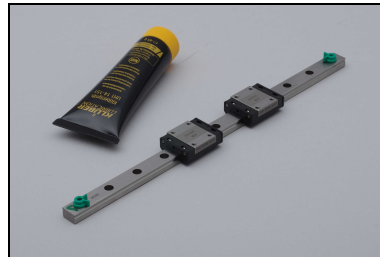

PA01-WD
special wipers
for especially
rough
environments

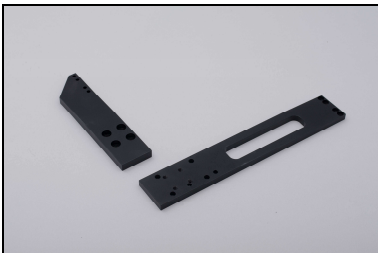

AD15
additional
heat sink for
HM01

AD19
console

AD20
linear guide
lubricated with
FDA grease

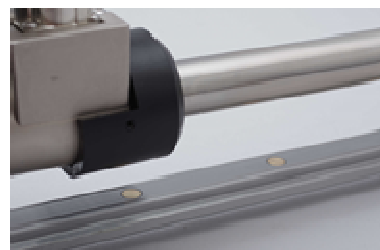

AD17
mounting set
for tube cable
chain
(for AD18)

AD18
tube cable
chain

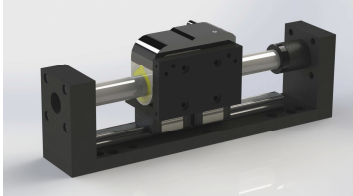

MD01
wiper set for
MagSpring®

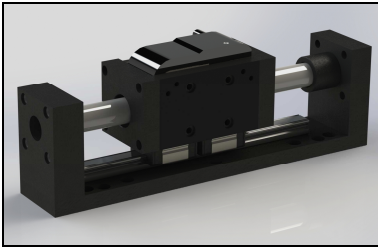

AD25
sealing plug
for rails

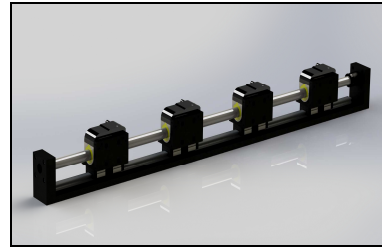

The following options are available for **HighDynamic®** HA02 linear guides.

	HA02 Linear Guides	
		
	HA02-37Sx 60	HA02-37Sx120
cable outlet mountable by 0°, 90°, -90°	•	•
HP-type motor (HP)	•	•
high clearance sliders (HC)	•	•
heavy duty slider (HD)	•	•
wiper 'front'	•	•
wiper 'rear'	•	•
additional slider	•	•
tube cable chain adaptor	•	•
pneumatic brake	•	•
MagSpring® mounting adaptor	•	•
ext. positioning sensor inkr./abs.	•	•
cooling fan adaptor	•	•
rail with rust protection	•	•
guide with FDA grease	•	•

	The combination of several options requires technical examination. Please inquire and we will review the technical feasibility of your demands. When ordering a HA02 HighDynamic® guide with the option 'completely assembled', the option will be mounted by us, as shown in the photos.
---	--

AD21
wipers for
HA02-37

AD23
additional
slider
for HA02-37

AD24
cable chain
adaptor
HA02-37
