

QuickLab[®] Options

A wide range of options and accessories complete the **QuickLab[®]** kit.

The following options are available for  **QuickLab[®]** QM02 linear modules and QA02 linear guides!

	QM02 Linear Modules		QA02 Linear Guides
			
Type	QM02-1247	QM02-2070	QA02-2070
stand	•	•	
MagSpring [®] mounting adaptors		•	
MagStop [®] set	•	•	
ext. positioning sensor inkr.		•	•
guide with FDA grease	•	•	•
rail with rust protection	•	•	•
connection plate for X-Z- or X-Y-handling		•	•

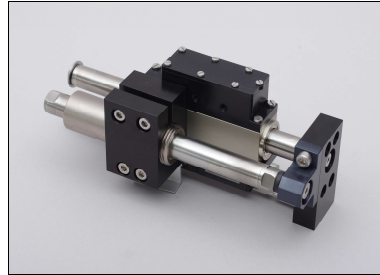

The combination of several options requires technical examination. Please inquire and we will review the technical feasibility of your demands.

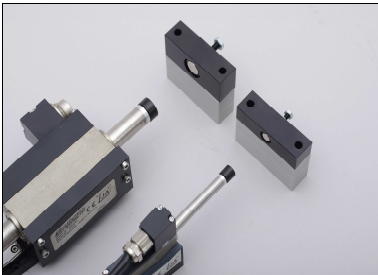

When ordering a  **QuickLab[®]** QM02 module or a QA02 guide with the option 'completely assembled', the option will be mounted by us, as shown on the following page.
